

Ideas for Meeting with Your Principal

Set Calendar for year – On what nights will Advisory be meeting, Can we place our meetings on the master calendar to avoid conflicts?

Faculty Meeting – May I speak for 5 minutes at one of your faculty meetings? I would like to introduce myself and explain my position and answer any questions about SAF.

Other Public Venues – Could I speak at Open House, Volunteer Breakfast, Partner Breakfast, etc.?

Are there any outstanding issues of which I should be aware (ongoing or otherwise)?

Could you please give me advance notice of I-zone meetings, textbook review, growth committee meetings, etc. so that I can participate?

Could you please give a **5**-minute report at each Advisory Meeting?

How would you like to handle my copying needs? SAF does no fund raising and as we are in the schools as per SB Policy 1.3 it would be great if you could copy my flyers/newsletters/etc.

Can we meet each month to discuss new and ongoing issues?

If you speak to **any** community members (parents, partners), could you urge them to attend and participate in our monthly meetings (SAC and SAF)?

Have you RSVP'd for the DAC breakfast on (date), I am planning to attend. As we do no fund raising we do hope the principals will pay for our participation at the DAC breakfast (beginning of school year), Area Luncheon (end of school year), Volunteer Luncheon and the Teacher Appreciation Luncheon.

If you are unable to attend our monthly Area Advisory meetings, could you let me know in advance who will be your designee?

Is there a parent office for me to use? A computer? A dedicated phone line?

If any mail or faxes arrive for me, could they be sent home with my children (or let me know they have arrived) so nothing sits around too long?

You may (or may not) give out my home phone number/fax number/email address to any other community member who needs assistance or questions.
